EDGECUMBE COLLEGE 2011

COURSE SELECTION YEAR 12 → YEAR 13

CHOICES YOU MUST MAKE:

You must **choose six lines of subjects**. **Write the subject code and the level** you will study at.

If you choose **half year courses** you need to **choose two subjects for a line**.

If a course is a full year write it in for both the first and second semester.

Landskills (LKS) must take up two lines of choice.

Your selection will be checked by the HOD of each subject, so if you are in doubt about your suitability, talk to the HOD. The pre-requisites for each subject/level are listed on the course outline page. If you wish to do a correspondence subject, talk to your Kaitiaki first.

There are no compulsory requirements but make sure you have achieved your Level 2 literacy and Level 1 numeracy requirements if you want to go on to university or some polytechnic courses

Your choices – you need to get the signature of the HOD of the subject you wish to study

First Semester (Term 1 and 2)			Second Semester (Term 3 and 4)			Use only the subject codes from the course booklet
